COVID-19 UPDATE 3-20-2020

The COVID 19 virus continues to impact all of us in our county, state, nation and world. As new information comes in hour by hour, we find ourselves making complicated and difficult decisions about how our organization will manage.

We have made the decision that we will be closed to participants (individuals receiving services) beginning Monday, March 23, 2020. We will be re-evaluating this decision on an ongoing basis and will provide you with an update at that time. We will be sharing updates through the Ascend Services website, Facebook, and for individuals without computer access, recorded updates will be available at 920-682-4663. We also plan to post announcements with WOMT Radio. Thank you all for your understanding as we continue to make decisions affecting the health and safety of everyone at Ascend Services
